Please find below and/or attached an Office communication concerning this application or proceeding.

NOTICE OF NON-COMPLIANT AMENDMENT

1. The amendment filed on 1/7/2004 is considered non-compliant because it fails to meet the requirements of 37 CFR 1.121, as amended on June 30, 2003 (see *68 Fed. Reg. 38611*, June 30 2003). In order for the amendment document to be compliant, correction of the following items is required. Only the corrected section of the non-compliant amendment document must be resubmitted (in its entirety), e.g., the entire "Amendment to the claims" section of Applicant's amendment document must be re-submitted. (37 CFR 1.21(h)).

Specially, the amendment is improper because the amendment of 1/7/2004 canceled all pending claims 1-28 and added new claims 29-45, all of which are drawn to antibodies. However, the election of 1/7/2004 clearly is to the nucleic acid of Group I, claims 1-14 and not to an antibody. The amendment is non-responsive because it cancel all the claims to the elected invention.

Further, the amendment is not in proper, form as per required under the new requirements as amended on June 30, 2003. The following caused the amendment document to further be non-compliant: A complete listing of all of the claims is not present. The listing of claims does not include the text of all claims (including withdrawn claims). Each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified.

For further explanation of the amendment format required by 37 CFR 1.121, See MPEP, see 714 and the USPTO website at:

<http://www.uspto.gov/web/offices/pac/dapp/opla/preognotice/officeflyer/pdf>.

Art Unit: 1637

2. If the non-compliant amendment is a **Preliminary Amendment**, Applicant is given ONE MONTH from the mail date of this letter to supply the corrected sections which complies with 37 CFR 1.121. Failure to comply with 37 CFR 1.121 will result in non-entry of the preliminary amendment and explanation on the merits will commence without consideration of the proposed changes in the preliminary amendment(s). This notice is not an action under 35 U.S.C. 132 and **this ONE MONTH time limit is not extendable.**

If the non-compliant amendment is a reply to a **Non-Final Office Action (including a submission for an RCE)**, and the amendment appears to a *bona fide* attempt to be a reply (37 CFR 1.135(c)), Applicant is given a TIME PERIOD of ONE MONTH from the mailing of this notice within which to re-submit the corrected section which complies with 37 CFR 1.121 in order to avoid abandonment. **EXTENSIONS OF THIS TIME ARE AVAILABLE UNDER 37 CFR 1.136(a).**

If this amendment is a reply to a **Final Action**, this form may be an attachment to an advisory action. **The period of response to a final rejection continues to run from the date set in the final rejection**, and is not affected by the non-compliant status of the amendment.
